WELCOME TO UEA RUGBY

Welcome to rugby at UEA! Become part of a fantastic programme and find your new family at university.

Both clubs offer a friendly and safe environment in which advanced players can further develop their skills playing at a high level, and less experienced players are able to learn the trade or strive for more competitive rugby.

Both clubs train regularly on campus, including video analysis, strength and conditioning, and match run through sessions. There are local playing opportunities as well as the opportunity to play at home and away against other Universities.

During the summer season both clubs participate in a series of sevens competitions, including Bournemouth, Oddballs and BUCS sevens. There is also a chance to represent UEA in our annual varsity competition against the University of Essex. There are many other social occasions for members including sports Tour and the club's annual Potters' Cup Competition.

COMPETITIVE RUGBY

Our Men's First Team compete in Tier 2 of British University and Colleges Sport (BUCS), and our Second and Third team in Tier 3 and 4 respectively. There are also opportunities to play in the local league with UEA Trojans or with partner club North Walsham RFC. Players may also represent Walsham Vikings (First team) in Regional 1 South East of the London & SE Division

MOVEMBER

UEA Men's Rugby have proudly supported the Movember charity for many years, raising thousands of pounds each year (the most at over £5,000 in 2020). Members will do challenges such as growing and Mo and having a mullet haircut, all for a great charity!

SEVENS

Following the conclusion of the season, UEA Men's Rugby participates in a series of sevens competitions, including British Universities and Colleges Sport (BUCS) and Oddballs sevens.

WOMENS

UEA Women's Rugby is renowned for its inclusivity and positive energy, creating a safe and empowering environment for women to excel physically and mentally. The club caters to all skill levels, with tailored training for everyone. Whether members love playing or watching the sport, everyone is involved.

COMPETITIVE RUGBY

Our Women's Team competes in Tier 2 of British Universities and Colleges Sport (BUCS). There are also local playing opportunities as the UEA Valkyries are now part of the RFU Inner Warrior Series.

SUSTAINABILITY

As past winners of the uea+sport sustainability award, the Women's Rugby has set the benchmark for positive change in sports clubs by reducing waste, introducing more plant-based meals, and campaigning.

LET IT HANG

Since the 2022-23 academic year, Women's Rugby has run the 'Let it Hang' campaign to raise funds and awareness for breast cancer. The club has hosted pub quizzes, involved numerous UEA sports clubs and other UK universities, and reached thousands on social media.

A TYPICAL WEEK AT UEA RUGBY

	Monday	Tuesday	Wednesday
Men's 1s & 2s	Contact session and video analysis @SP	Run through @SP	BUCS Fixtures
Men's 3s-Dev	Contact session @SP		
Women's	Contact session and video analysis @SP	Run through @SP	
North Walsham		Training @SP	

KEY STAFF

“The partnership between the UEA and North Walsham Rugby Club has grown from strength to strength and it is an exciting time to head up the coaching for both teams. My coaching ethos is based around improving individuals’ skills at whatever level, and while developing a team culture. I thrive on seeing players and coaches develop and enjoying their shared experiences. Training sessions should be the best part of peoples’ week.”

NIALL LEAR

Programme lead & Director of North Walsham RFC

- Level 4 Rugby Coach
- Extensive coaching career, spanning the Scottish and UAE Premiership

Thursday	Friday	Saturday	Sunday
Rest & Recovery day	Strength & Conditioning Contact and skills sessions @SP	UEA Trojans Local League Fixtures	
	Strength & Conditioning Contact and skills sessions @SP		UEA/Walsham Women's Inner Warrior Fixture
North Walsham Men's Training @Scottow	Joint UEA/Walsham Women's Training @SP	North Walsham Men's Fixture	

All home games for both clubs take place on grass playing pitches at Colney Lane. There can be up to three men's teams and one women's team competing at BUCS on a Wednesday.

Both clubs benefit greatly from the coaching provided by NWRFC. Student members are also encouraged and supported in their own personal coaching and leadership experience.

CONNOR DUDLEY

Men's Rugby Coach

- UEA and NWRFC coaching experience
- Leads video/performance analysis for both clubs
- NW Vikings VC

JAMIE HOOKER

- Two years coaching UEA Women's
- UEA and NWRFC coaching experience
- NW Vikings

AMANDA JONES

UEA and NW Women's Rugby Coach

- Advanced level 3 coach
- RFU , Saracens and Leicester Coaching & Development experience

NORTH WALSHAM RFC

Our partnership with North Walsham Rugby Club allows players from the men's club to compete in the fifth tier of English Rugby (RFU Regional 1 South East of the London & SE Division).

For the 24-25 season, UEA and North Walsham Women's will be jointly entering a team into the Inner Warrior Series, 'UEA Valkyries', coached by Amanda Jones, with the ambition to compete in the Eastern Counties league the following season. Not only will this create further opportunities for players in both clubs, but for women and girls across the county to train and compete.

The newly established North Walsham RFC Bursary is open for applications and is available to UEA students to apply for who have agreed to play Rugby for North Walsham Vikings. Recipients will receive a cash bursary as well as access to other support services. For more information on the NWRFC Bursary please scan this QR code:

PLAYER TESTIMONIALS

LUCAS ATHERTON

RUGBY SCHOLAR - INTERNATIONAL DEVELOPMENT WITH ECONOMICS

I have played rugby since the age of five starting in the second row and ending up as a flyhalf/full back for North Walsham RFC at 21 years old. Having represented North Walsham at the National Two level, I have enjoyed the set-up as it has allowed me to push my rugby to a different level. Along with this, there has been a transfer of professionalism into the UEA rugby set up and I have witnessed a transformation in culture and performance since being involved in both teams. The partnership allowed me to earn a half colours award at UEA for playing in the National Two league and has also given me a good platform to build from in the future.

MEGAN FROST

RUGBY SCHOLAR - MARKETING AND MANAGEMENT

The partnership between North Walsham and UEA has been a huge support in the women's game in Norfolk. Being part of UEA and having access to the quality of coaching from North Walsham has improved the team's performance massively especially through performance analysis. Additionally, the partnership has given the Women's side the opportunity to complete coaching and refereeing qualifications through attending their girls youth training sessions. The NW partnership has seen our team grow massively from retaining members to achieving league success for the first time in years. It has aided both clubs culture and performance as well as the specific expansion of women in rugby across Norfolk.

CONNOR DUDLEY

RUGBY SCHOLAR - BUSINESS MSC

The link between UEA and Walsham is brilliant and has made unbelievable progress over the past two years. Personally, it has supported my playing career by exposing me to a higher level of rugby during my time at university, making me a better rugby player. As a result of the professional outlook of North Walsham, this has filtered into university rugby in many different aspects; performance analysis, training facilities and standards and physio support. Performance analysis is something that I now lead at the University and is something I would like to continue and create a career path out of. I look forward to being part of the partnership for years to come and seeing it continue to develop.
